Winnie the Pooh and Mental Illness

Pooh pathology test english.

Here is a quick-access image to our popular character guide ->ambioiam from Texas on February 23, 2010:Excellent. I would have guess you were Tiggerish because you are always spreading happiness!John, I agree, optimistic is the way to go - and far more fun. So glad everyone is enjoying this!James A Watkins from Chicago on May 11, 2009:Interesting idea here. A super-social animal, you love to know what everyone is up to and you are always there to cheer up a friend and make people laugh. It gets worse:Here's how it works. You can be just a tad pessimistic. You don't waste time, you have a schedule to keep and things to do. Yellow is your color.Woe is me. You don't have time for boulders in your path because you have a garden that needs tending to or a conference call to make from your cell phone on the other side of the mountain. You also come up with ideas easily, at odd moments and they are not always all that useful. Not just a rock, but a boulder.What is your first thought?What will you do? As you get closer you realize that there, in the middle of the path is a boulder. Did you get mad at that boulder? You knew you could get around it somehow. 4 minutes to take Multi-Dimensional (Romantic) Jealousy Scale take the test 6 minutes to take What Is Your Psychological Age? You are most like Eeyore. If that was your answer, you are a cuddly Pooh Bear. You love the rain. A lot of fun. :) Yes, Michelle, I think it is possible to be a combination of two. Another lifelong Pooh fan. Angela Brummer from Lincoln, Nebraska on June 03, 2012:Pretty sure I am Tigger! Great Hub!bruzzbuzz from Texas, USA on February 13, 2012:This was a very good hub and the quiz and explanation was spot on. If you think this is ridiculous, you should stop reading right now. Interesting. You are as deep as your friend Tigger is light. Did you say oh, man, why does this always happen to me? :)Kari Poulsen from Ohio on May 11, 2009:That was fun! I have always loved Winnie the Pooh, and guess who may favorite character was? I think he (poor little guy) has an anxiety disorder!Susan Reid from Where Left is Right, CA on September 18, 2009:Hello Amy Jane -- good to see you back here. Now you are really going to be upset. Thanks again! Thanks for making me think a little.Jackie on September 16, 2011:I have said this for the longest time. You see something up ahead. You know who you are! You are fun loving Tigger! An eternal optimist, that boulder didn't bother you at all. Tigger I am.Michelle Simtoco from Cebu, Philippines on May 11, 2009:I had fun with this Amy! I am Pooh at certain times and Tigger on other times. LOL! mamacoots from Louisiana on May 11, 2009:Another Tigger here! lol This was very interesting. The kids love it and my sister (a very serious lawyer most of the time) and I had a blast. The world would not exist without you, because you are busy spinning it! The color red suits you just fine.Did you bounce, run or skip around that boulder? A totally different way of looking at personalities.Susan Reid from Where Left is Right, CA on May 11, 2009:Way fun! I wanted more scenarios, but the one you presented was perfect! Love your description of the ride, too!P.S. I'm a tigger but I prefer red to yellow.C.C. Hope all's well in the 100 Acre Wood. Guess I know why now, I'm a Tigger too.amy jane (author) from Connecticut on September 13, 2009:LOL Diane! My daughter worries that she is a pessimist too. If you want to download you have to send your own contributions. Have always been a big fan of the funny little bear, but my favorite is def Tigger. This personality test is based strictly on my own personal observations and although I think it's spot on, you may think it's crazy. I have to say I am very optimistic. Yes, you feel like you are bouncing along Tigger style in your little cart. You're patting yourself on the back for getting some exercise. :)Diane on September 11, 2009:I'm glad to have it confirmed that I'm a pessimist. You stumble into your own brilliance from time to time. Hmm...I admit to having an Eeyore side...I'm primarily a bear though. Tigger...now guess who am? There I am the first to admit it! :DI like it that you made Eeyore sound pretty cool in the section afterwards. Welcome to ESL Printables, the website where English Language teachers exchange resources: worksheets, lesson plans, activities, etc. Feel free to download this image to create a direct link to our site. So perhaps I am somewhere between a Rabbit and a Tigger. lol.Unfortunately I have also known my share of Eeyores. Eeyore is cute and funny, but human Eeyores are not much fun to be around!AmandaB from Middletown on May 11, 2009:This Hub was a lot of fun! Thanks for sharing. I will have to come back and see the results with most people have taken the test. You are a ray of light wherever you go. Milne's beloved children's story Winnie The Pooh. You love the intense colors of the autumn leaves.The Winnie the Pooh Ride at The Magic KingdomFor Winnie the Pooh Fans of All Personality TypesThis is completely off the topic, for Pooh Bear fans only! As for the Winnie the Pooh ride at the Magic Kingdom in Orlando, I just had to include it here. You wrote poetry. This is awesome. :DJackieLenny on March 27, 2011:I was Pooh Guilty as charged!amy jane (author) from Connecticut on October 05, 2010:Lol. Eeyore types know these things!EJ on August 15, 2010:I knew I was and Eeyore before I took this. I'm a cuddly Pooh bear according to my vote. pretty spot on. Robert Burroughs on June 17, 2012:"The best thing about Tiggers, is I'm the only one." Obviously not here though. Haven't seen any writing or comments from you in awhile. And this just confirms it. why climb over it when you could walk around it. I believe that being optimistic is more healthy and we get better results in life.Interesting test. So much so, that when the ride was over and we were herded out into the strategically placed gift shop, we just had to buy something. I guess I am just a kid at heart. LOLamy jane (author) from Connecticut on March 20, 2010:You're welcome Anolinde! It's fairly accurate I think!Jane Simmons from Niigata on March 07, 2010:Wow .. Eeyore's can be very cool!Glad you had fun with this Equusport!equsport from Horse Captial of the World on May 12, 2009:I was "Rabbit." Too crazy-buzy!Fun Hub, thx!shibashake on May 12, 2009:Loved it! My favorite Pooh character has always been Tigger, but my own character is really more of an Eeyore. What is the first thing that comes to mind?Scroll down past the video and answer the question in the poll.Poetry, Music and Famous Pooh Bear QuotesPersonality TestWho Are You Anyway?When I first heard this story, I immediately thought I would like to sit down and have a snack, drink some water and think about the situation. says so in my own profile that I consider myself a pessimist! :P Thanks, Amy Jane :)amy jane (author) from Connecticut on February 25, 2010:Glad you enjoyed it. thanks for reading. I am not a lifelong fan of these characters but have been enjoying them with my children. This ride is pretty simple - but I just love it! I was not prepared for the bouncing tigger part. Hahahahaha!jeanine on May 11, 2009:This was a joy to read and consider myself as one of the animated characters I chose to sit down, have a snack and think about it!megs78 from quebec on May 11, 2009:Never someone to pass up the opportunity to take a break, I definitely fit into the Pooh Bear category. You bring logic and balance to those around you.You don't mind being alone, but a few close friends around you make you feel completely content. LOL.P.S. Whatever happened to Piglet? Go with your first instinct. I always worried that I was...amy jane (author) from Connecticut on May 13, 2009:Hi Shibashake! Thank you for admitting your Eeyore personality! I have several Eeyore types in my life and I wouldn't change them a little. Rier on May 11, 2009:Now this was fun. I could not/would not want to be any other way. You don't care for rushing, schedules and rules. hahamy jane (author) from Connecticut on May 11, 2009:Thank you for all the comments! It's so much fun to see the personality test results...some were predictable. I also wonder if the results will be skewed because some personality types won't read the article and/or take the test.Bob Ewing from New Brunswick on May 11, 2009:i have always admired Rabbit, that was fun.Wendy Malowany from Wainfleet, ON, Canada on May 11, 2009:Hi Amy Jane,I love the personality test. When I read option number two I was leaning toward it, but as I continued reading my other options I thought, now why would I climb over it, when I can bounce over or walk around? I took your quiz, I was Tigger :) My mom is a total Eeyore. The first thing that pops into your head. Our collection is growing every day with the help of many teachers. Thanks for allowing us a humorous but insightful look into ourselves.marisela on February 17, 2010:I love tigger his so funny,oh and Piglet to. Is that possible? You've been hiking along for sometime now and the path is heavily wooded all around you. The birds are singing, the air is fresh and feels good to breath. You are a highly motivated leader and enjoy being in charge and telling everyone around you how to do everything. Blue is your color.If you didn't miss a step and just started climbing straight up over it, you are most like Rabbit. Very cute.John Chancellor from Tennessee on May 11, 2009:I had the same reaction as Wendy ... there should be a tigger test !O.marisela on February 17, 2010:up around here - the 100 acre wood is busy.amy jane (author) from Connecticut on October 04, 2009:Thanks Mighty Mom, I haven't had as much time as usual to keep up around here...the 100 acre wood is busy. The Rock in Your PathImagine yourself hiking in the woods. :)Piglet is so extreme - and doesn't really fit a category. :love my yorkies from way out west on September 16, 2009:Really liked this hub. I'm an Eeyore .. Shouldn't there be a Piglet option on this test????!amy jane (author) from Connecticut on September 18, 2009:Glad you liked this! Tigger's are great fun to be with, though I know nothing about being so bouncy. Silly fun. I'm going to tell you a story that will end with "what would you do?" I want you to think about your answer before scrolling down to see which character you are most like. Go Eeyore! :)amy jane (author) from Connecticut on May 12, 2009:I'm thrilled you guys are having fun with this! No Eeyore's yet? Got it?
